Ralph Reader

4 Strums on "We're"

Ch: We're riding along on the crest of a wave
 And the sun is in the sky

 We're riding along on the crest of a wave
 And the world is ours

 The ship is calling for more
 We're getting ready now for a steady
 Pull away from the home shore
 We're off to find adventure anyhow

 All our eyes on the distant horizon
 Look out for passers-by

11 — The Boxer

'The Boxer' was originally written with an extra verse that's not in 'Bridge Over Troubled Water'
Paul Simon

1. I am just a poor boy though my story's seldom told

I have squandered my resistance

For a pocket full of mumbles such are promises

All lies and jests still a man hears what he wants to hear

And disregards the rest hmmm mm

2. When I left my home and my family I was no more than a boy

In the company of strangers

In the quiet of the railway station running scared

Laying low seeking out the poorer quarters

Where the ragged people go

Looking for the places only they would know

Ch: Lie la lie . Lie la lie lie lie lie lie

Lie la lie . Lie la lie lie lie lie lie lie lie lie lie

3. Asking only workman's wages I come looking for a job

But I get no offers

Just a come-on from the whores on Sandford Avenue

I do declare there were times when I was so lonesome

I took some comfort there lie la lie lie lie lie

Ch: Lie la lie . Lie la lie lie lie lie lie

Lie la lie . Lie la lie lie lie lie lie lie lie lie lie

Pinky and Perky did a version of the song on their Summer Holiday EP
Jimmy Van Heusen and Johnny Burke

Am7

Em7

Intro: ~~Would you like to swing on a star?~~

~~Carry moonbeams home in a jar?~~

Ch: Would you like to swing on a star?

Carry moonbeams home in a jar?

And be better off than you are

Or would you rather be a mule?

1. A mule is an animal with long funny ears

Kicks up at anything he hears.

His back is brawny but his brain is weak

He's just plain stupid with a stubborn streak

And by the way, if you hate to go to school.

You may grow up to be a mule.

Ch: Would you like to swing on a star?

Carry moonbeams home in a jar?

And be better off than you are

Or would you rather be a pig?

2. A pig is an animal with dirt on his face

His shoes are a terrible disgrace.

He has no manners when he eats his food

He's fat and lazy and extremely rude

But if you don't care a feather or a fig

You may grow up to be a pig.

Ch: Would you like to swing on a star?
 Carry moonbeams home in a jar?
 And be better off than you are
 Or would you rather be a fish?

3. A fish won't do anything, but swim in a brook,
 He can't write his name or read a book.
 To fool the people is his only thought
 And though he's slippery, he still gets caught
 But then if that sort of life is what you wish
 You may grow up to be a fish.

4. And all the monkeys aren't in the zoo
 Every day you meet quite a few.
 So you see it's all up to you
 You can be better than you are, Ah Ah Ah Ah
 You could be swingin' on a star.

Voted the greatest Christmas carol of all time in a poll of choral experts and choirmasters
Christina Rossetti and Harold Darke

F

Dm

1. In the bleak midwinter
 Frosty wind made moan,
 Earth stood hard as iron,
 Water like a stone;
 Snow had fallen, snow on snow,
 Snow on snow,
 In the bleak midwinter
 lo...ng ago.
2. God, Heaven cannot hold Him
 Nor earth sustain;
 Heaven and earth shall flee away
 When He comes to reign;
 In the bleak mid winter
 A stable place sufficed,
 The Lord God Almighty,

37 — Last Thing On My Mind

Theory of Mind is the ability to attribute mental states-beliefs to oneself and others
Tom Paxton

1. It's a lesson too late for the learning

Made of sand, made of sand

In the wink of an eye my soul is turning

In your hand, in your hand

Ch: Are you going away with no word of farewell?

Will there be not a trace left behind?

Well I could have loved you better,

I didn't mean to be unkind

You know that was the last thing on my mind

2. As I walk alone my thoughts are tumbling

Round and round, round and round

Underneath our feet a subway's a rumbling

Underground, underground

3. You've got reasons a plenty for going

This I know, this I know

For the weeds have been steadily growing

Please don't go, please don't go

End: You know that was the last thing on my mind

You know that was the last thing on my mind

38 — Valerie

Saint Valeria of Milan was martyred for refusing to sacrifice to the Roman gods
Dave McCabe

1. Well sometimes I go out by myself,
and I look across the water
And I think of all the things, what you do,
and in my head I make a picture

- Ch: 'Cos since I come on home, well my body's been a mess
And I've missed your ginger hair and the way you like to dress
Won't you come on over, stop making a fool out of me
Why don't you come on over Valerie? bub bub bala bub
Valerie, bub bub bala bub Valerie, bub bub bala bub
Valerie bub bub bala bub

2. Did you have to go to jail, put your house on up for sale,
did you get a good lawyer? Ooo ooo
I hope you didn't catch a tan, I hope you find the right man,
who'll fix it for you
Are you shopping anywhere, changed the colour of your hair,
are you busy?
And did you have to pay the fine you were dodging all the time,
are you still dizzy?

Chorus

Tap ukulele

Well sometimes I go out by myself and I look across the water
And I think of all the things, what you do and in my head I make a picture

End: Valerie, Valerie

1. Well, I took a stroll on the old long walk
Of a day-I-ay-I-ay

'Cause her hair was black and her eyes were blue
So I took her hand and I gave her a twirl
And I lost my heart to a Galway girl

53 — River Deep - Mountain High

Ike was paid \$20,000 to stay away from the studio and only Tina's vocals would be used on record
Ike and Tina Turner

1. When I was a little girl I had a rag doll.

Only doll I've ever owned.

Now, I love you just the way I loved that rag doll.

But only now my love has grown.

And it gets stronger, in every way.

And it gets deeper, let me say.

And it gets higher, day by day.

Ch: Do I love you, my, oh, my.

River deep, mountain high.

If I lost you, would I cry?

How I love you baby... baby, baby, baby. **stop**

2. When you were a young boy, did you have a puppy,
that always followed you around?

Well, I'm gonna be as faithful as that puppy.

No, I'll never let you down.

Cause it goes on and on, like a river flows.

And it gets bigger baby, and heaven knows.

And it gets sweeter baby, as it grows.

56 — The Irish Rover

Measles is actually a corruption of mizzens, which refers to the third mast on a ship

J.M. Crofts

1. On the fourth of July eighteen hundred and six
 We set sail from the sweet Cobh of Cork
 We were sailing away with a cargo of bricks
 For the grand city hall in New York
 'Twas a wonderful craft, she was rigged fore and aft
 and Oh how the wild winds drove her
 She had twenty seven masts and she stood several blasts
 and they called her the Irish Rover
2. We had one million bags of the best Sligo rags
 We had two million barrels of stones
 We had three million sides of old blind horses hides
 We had four million barrels of bones
 We had five million hogs, six million dogs
 Seven million barrels of porter
 We had eight million bales of old nanny goats tails
 in the hold of the Irish Rover
3. There was Barney McGee from the banks of the Lee
 There was Hogan from County Tyrone
 There was Jimmy McGurk who was scared stiff of work
 And a man from Westmeath called Malone
 There was Slugger O'Toole who was drunk as a rule
 And fighting Bill Tracy from Dover
 And your man Mick McCann from the banks of the Bann
 was the skipper of the Irish Rover

4. We had sailed seven years when the measles broke out
 and our ship lost it's way in the fog
 Then the whole of the crew was reduced down to two
 just myself and the captain's old dog
 Then the ship struck a rock, oh Lord what a shock the bulkhead was turned
 right over
 She turned nine times around and the poor old dog was drowned
 I'm the last of the Irish Rover

57 — Jingle Bells

Oh, what fun it is to ride

In a one-horse open sleigh, hey!

Jingle bells, jingle bells, jingle all the way,

Oh, what fun it is to ride

In a one-horse open sleigh.

2. Dashing through the snow

In a one-horse open sleigh,

Across the fields we go,

Laughing all the way.

Bells on bobtails ring,

Making spirits bright,

Oh what fun it is to sing a sleighing song tonight.

3. Jingle bells, jingle bells, jingle all the way,

Oh, what fun it is to ride

In a one-horse open sleigh, hey!

Jingle bells, jingle bells, jingle all the way,

Oh, what fun it is to ride

In a one-horse open sleigh.

The story of Rudolf was created for the retailer Montgomery Ward
John Marks

1. Rudolf, the red-nosed reindeer had a very shiny nose,
And if you ever saw it, You would even say it glows.
All of the other reindeer
Used to laugh and call him names
They never let poor Rudolph
Join in any reindeer games.

2. Then one foggy Christmas Eve
Santa came to say,
"Rudolph with your nose so bright,
Won't you guide my sleigh tonight?"
Then all the reindeer loved him
And they shouted out with glee,
"Rudolph the red-nosed reindeer,
You'll go down in history!"

63 — When A Child Is Born

The most successful version was probably the Jack Gold produced version by Johnny Mathis
Fred Jay

1. A ray of hope flickers in the sky,
A tiny star lights up way up high,
All across the land dawns a brand new morn,
This comes to pass
when a child is born.
2. A silent wish sails the seven seas,
The winds of change whisper in the trees
All the walls of doubt crumble tossed and torn,
This comes to pass
when a child is born.
3. A rosy dawn settles all around,
You get to feel you're on solid ground
For a spell or two no-one seems forlorn,
This comes to pass
when a child is born.

Hum and play a verse

4. It's all a dream, an illusion now,
It must come true sometime soon somehow.
All across the land dawns a brand new morn,
This comes to pass
when a child is born.

End: Slowing

This comes to pass
when a child is born.

It was recorded at Record Plant Studios in New York City in late October 1971
John Lennon and Yoko Ono

1. So this is Christmas, and what have you done?

Another year over, a new one just begun.
And so this is Christmas, I hope you have fun
The near and the dear ones, the old and the young.

Ch: A merry, merry Christmas, and a happy New Year
Let's hope it's a good one without any fears.

For weak and for strong. (If you want it)
The rich and the poor ones (War is over). The road is so long. (Now)

For black and for white. (If you want it)
For yellow and red ones, (War is over)
Let's stop all the fights. (Now)

66 — Frosty the Snowman

First recorded by Gene Autry and the Cass County Boys in 1950
Walter 'Jack' Rollins and Steve Nelson

1. Frosty the Snowman was a jolly, happy soul,

With a corn-cob pipe and a button nose

And two eyes made out of coal.

Frosty the Snowman is a fairy tale they say,

He was made of snow but the children know

How he came to life one day.

2. There must have been some magic in that

Old silk hat they found,

For when they placed it on his head,

He began to dance around.

3. Frosty the Snowman was alive as he could be,

And the children say he could dance and play

Just the same as you and me.

4. Frosty the Snowman knew the sun was hot that day,

So he said "Let's run, we'll have lots of fun

Now before I melt away".

Down in the village with a broomstick in his hand,

Running here and there all around the square

Saying "Catch me if you can!"

5. He led them down the streets of town

Right to a traffic cop,

And he only paused one moment when

He heard them holler "Stop!"

Slowing

6. Frosty the Snowman had to hurry on his way

but he waved goodbye saying "Don't you cry"

I'll be back again some day.

69 — Let It Snow

Written in July 1945 in Hollywood, California during one of the hottest days on record
Sammy Cahn and Jule Styne

1. Oh, the weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let it snow, let it snow, let it snow.
2. Oh, it doesn't show signs of stopping,
And I've brought some corn for popping,
The lights are turned way down low,
Let it snow, let it snow, let it snow.
3. When we finally kiss good night,
How I hate going out in the storm.
But if you really hold me tight,
All the way home I'll be warm
4. Oh, the fire is slowly dying,
And my dear we're still good-bye-ing,
But as long as you love me so,
Let it snow, let it snow, let it snow.
5. When we finally kiss good night,
How I hate going out in the storm.
But if you really hold me tight,
All the way home I'll be warm.
6. Oh, the fire is slowly dying,
And my dear we're still good-bye-ing,
But as long as you love me so,
Let it snow, let it snow, let it snow.
Let it snow, let it snow, and snow.
Let it snow, let it snow, and snow. SLOW

 You shoveled down your throat
 Now you bit the hand that fed you
