# 1 — Highwayman

1. I was a highwayman, along the coach roads I did ride  
With sword and pistol by my side  
Many a young maid lost her baubles to my trade  
Many a soldier shed his lifeblood on my blade  
The bastards hung me, in the spring of twenty-five  
But I am still a-live
  
2. I was a sailor, I was born upon the tide  
And with the sea I did a-bide  
I sailed a schooner round the Horn to Mexi-co  
I went a-loft and furled the mainsail in a blow  
And when the yards broke off, they said that I got killed  
But I am living still
  
3. I was a dam builder, across the river deep and wide  
Where steel and water did collide  
A place called Boulder on the wild Colo-rado  
I slipped and fell into the wet concrete below  
They buried me, in that great tomb that knows no sound  
But I am still a-round  
I'll always be a-round and a-round
  
4. I fly a starship across the Universe di-vid  
And when I reach the other side  
I'll find a place to rest my spirit if I can  
Perhaps I may become a highwayman a-gain  
Or I may simply be a single drop of rain  
But I, will re-main  
And I'll be back a-gain, and a-gain and a-gain and a-gain and a-gain

## 2 — Oh Shropshire

1. You might have heard of my place on earth  
But you won't know where it is  
East of West and North of South  
It's just where it should be
2. Where the hills roll blue and democracy began  
Where the rivers run slow and the iron bridge stands  
Where the fittest survive and so does everyone else  
And nothing ever happens

Ch: Oh Shropshire, I'd keep you quiet  
But I can't help singing your praise  
I hope that nobody hears  
I hope that nobody hears  
I hope that nobody hears

3. The devil once came, he couldn't make a deal  
He left his stones on Stiperstones  
Because the people smile and the warmth is real  
And riches count for nothing

I hope that nobody hears  
I hope that every one hears

### 3 — No Hoppers, Jokers and Rogues

Ch: Come, all you no hoppers, you jokers and rogues

## 4 — Go West

1. (Together) we will go our way  
(Together) we will leave some day  
(Together) your hand in my hand  
(Together) we will make our plans  
(Together) we will fly so high  
(Together) tell our friends good-bye  
(Together) we will start life new  
(Together) this is what we'll do

Ch: (Go West) life is peaceful there  
(Go West) in the open air  
(Go West) where the skies are blue  
(Go West) is what we're gonna do

2. (Together) we will love the beach  
(Together) we will learn and teach  
(Together) change our pace of life  
(Together) we will work and strive  
(I love you) I know you love me  
(I want you) how could I disagree  
(So that's why) I make no protest  
(When you say) you will do the rest

Ch: (Go West) life is peaceful there  
(Go West) in the open air  
(Go West) baby you and me  
(Go West) this is our destiny  
(Go West) sun in the wintertime  
(Go West) we will do just fine  
(Go West) where the skies are blue  
(Go West) this is what we're gon-na do

Break  $\left[ \begin{array}{l} \text{There where the air is free} \\ \text{We'll be (we'll be) what we want to be} \\ \text{Now if we make a stand} \\ \text{We'll find (we'll find) our promised land} \end{array} \right.$

3. (I know that) there are many ways  
 (To live there) in the sun or shade  
 (Together) we will find a place  
 (To settle) where there's so much space  
 (Without rush) and the pace back East  
 (The hustling) rustling just to feed  
 (I know I'm) ready to leave too  
 (So that's what) we are gonna do

Ch: (Go West) life is peaceful there  
 (Go West) lots of open air  
 (Go West) where the skies are blue  
 (Go West) is what we're gon-na do  
~~(Go West)~~ life is peaceful there  
 (Go West) lots of open air  
 (Go West) baby you and me  
 (Go West) this is our destiny

## 5 — Whisky in the Jar

1. As I was going over the Cork and Kerry mountains  
I saw Captain Farrell and his money he was counting  
I first produced my pistol and then produced my rapier  
I said “Stand and deliver Or the devil he may take you”

Ch: Mush a rim sham-a-doo sham-a-da,  
Whack for the daddy-o, whack for the daddy-o,  
there’s whisky in the jar.

2. I took all of his money, which was a pretty penny  
I took all of his money and I brought it home to Molly  
She swore that she’d love me, never would she leave me  
But the devil take that woman for you know she tricked me easy
3. Being drunk and weary, I went to Molly’s chamber  
Taking Molly with me and I never knew the danger  
At six, or maybe seven in walked Captain Farrell  
I jumped up, fired my pistols and I shot him with both barrels
4. Now some men like the fishing and some men like fowling  
And some men like to hear the cannonballs a roaring  
Me - I like sleeping in my Molly’s chamber  
But here I am in prison, here I am with a ball and chain, yeah

## 6 — I'm the Urban Spaceman

1. I'm the urban spaceman baby, I've got speed  
I've got everything I need  
I'm the urban spaceman baby, I can fly  
I'm a supersonic guy  
I don't need pleasure I don't feel pain  
If you were to knock me down, I'd just get up again  
I'm the urban spaceman baby, I'm making out  
I'm all about

Break 

|   |                                                        |

| [ | <del>I'm the urban spaceman baby, I've got speed</del> |
|   | <del>I've got everything I need</del>                  |
|   | I wake up every morning with a smile upon my face      |
|   | My natural exuberance spills out all over the place    |

2. I'm the urban spaceman I'm intelligent and clean  
Know what I mean?  
I'm the urban spaceman, as a lover second to none  
It's a lot of fun  
I never let my friends down I've never made a boob  
I'm a glossy magazine an advert in the tube  
I'm the urban spaceman babe, but here comes the twist  
I don't exist
