1. It's beginning to look a lot like Christmas, everywhere you go

Take a look in the Five and Ten, glistening once again

With candy canes and silver lanes a -glow.

It's beginning to look a lot like Christmas, toys in every store

But the prettiest sight to see is the holly that will be

On your own front door.

2. A pair of hopalong boots and a pistol that shoots

Is the wish of Barney and Ben

Dolls that will talk and go for a walk

Is the hope of Janice and Jen

And Mum and Dad can hardly wait for school to start again.

3. It's beginning to look a lot like Christmas, everywhere you go

There's a tree in the Grand Hotel, one in the park as well

The sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas, soon the bells will start

And the thing that will make them ring, is the carol that you sing

Right within your heart.

Repeat verses 2 and 3

8 — Frosty the Snowman

First recorded by Gene Autry and the Cass County Boys in 1950
Walter 'Jack' Rollins and Steve Nelson

1. Frosty the Snowman was a jolly, happy soul,

With a corncob pipe and a button nose

And two eyes made out of coal.

Frosty the Snowman is a fairy tale they say,

He was made of snow but the children know

How he came to life one day.

2. There must have been some magic in that

Old silk hat they found,

For when they placed it on his head,

He began to dance around.

3. Frosty the Snowman was alive as he could be,

And the children say he could dance and play

Just the same as you and me.

4. Frosty the Snowman knew the sun was hot that day,

So he said "Let's run, we'll have lots of fun

Now before I melt away".

Down in the village with a broomstick in his hand,

Running here and there all around the square

Saying "Catch me if you can!"

5. He lead them down the streets of town

Right to a traffic cop,

And he only paused one moment when

He heard them holler "Stop!"

Slowing

6. Frosty the Snowman had to hurry on his way

but he waved goodbye saying "Don't you cry"

I'll be back again some day.

9 — Happy Christmas (War Is Over)

It was recorded at Record Plant Studios in New York City in late October 1971
John Lennon and Yoko Ono

 Another year over, a new one just begun.

 The near and the dear ones, the old and the young.

- Ch: A merry, merry Christmas, and a happy New Year
 Let's hope it's a good one without any fears.

2. And so this is Christmas, (War is over)
 For weak and for strong. (If you want it)
 The rich and the poor ones (War is over). The road is so long. (Now)
 And so happy Christmas, (War is over)
 For black and for white. (If you want it)
 For yellow and red ones, (War is over)
 Let's stop all the fights. (Now)

Chorus

3. And so this is Christmas, (War is over)
 And what have we done? (If you want it)
 Another year over, (War is over). A new one just begun. (Now)
 And so this is Christmas, (War is over)
 We hope you have fun (If you want it)
 The near and the dear ones, (War is over). The old and the young. (Now)

Chorus

14 — Let It Snow

Written in July 1945 in Hollywood, California during one of the hottest days on record
Sammy Cahn and Jule Styne

1. Oh, the weather outside is frightful,

But the fire is so delightful,

And since we've no place to go,

Let it snow, let it snow, let it snow.

2. Oh, it doesn't show signs of stopping,

And I've brought some corn for popping,

The lights are turned way down low,

Let it snow, let it snow, let it snow.

3. When we finally kiss good night,

How I hate going out in the storm.

But if you really hold me tight,

All the way home I'll be warm

4. Oh, the fire is slowly dying,

And my dear we're still good-bye-ing,

But as long as you love me so,

Let it snow, let it snow, let it snow.

5. When we finally kiss good night,

How I hate going out in the storm.

But if you really hold me tight,

All the way home I'll be warm.

6. Oh, the fire is slowly dying,

And my dear we're still good-bye-ing,

But as long as you love me so,

Let it snow, let it snow, let it snow.

Let it snow, let it snow, and snow.

Let it snow, let it snow, and snow. SLOW

19 — Rudolf The Red Nosed Reindeer

The story of Rudolf was created for the retailer Montgomery Ward
John Marks

1. Rudolf, the red-nosed reindeer had a very shiny nose,

And if you ever saw it, You would even say it glows.

All of the other reindeer

Used to laugh and call him names

They never let poor Rudolph

Join in any reindeer games.

2. Then one foggy Christmas Eve

Santa came to say,

"Rudolph with your nose so bright,

Won't you guide my sleigh tonight?"

Then all the reindeer loved him

And they shouted out with glee,

"Rudolph the red-nosed reindeer,

You'll go down in history!"

 All is calm, all is bright,
 Round yon virgin, mother and child,
 Holy infant so tender and mild,
 Sleep in heavenly peace
 Sleep in heavenly peace.

2. Silent night, holy night!
 Shepherds quake at the sight
 Glories stream from heaven afar
 Heavenly hosts sing alleluia
 Christ the savior is born

 Son of God, love's pure light
 Radiant beams from thy holy face,
 With the dawn of redeeming grace
 Jesus Lord at thy birth
 Jesus Lord at thy birth.

 Jesus Lord at thy birth.

25 — When A Child Is Born

The most successful version was probably the Jack Gold produced version by Johnny Mathis
Fred Jay

1. A ray of hope flickers in the sky,
A tiny star lights up way up high,
All across the land dawns a brand new morn,
This comes to pass
when a child is born.
2. A silent wish sails the seven seas,
The winds of change whisper in the trees
All the walls of doubt crumble tossed and torn,
This comes to pass
when a child is born.
3. A rosy dawn settles all around,
You get to feel you're on solid ground
For a spell or two no-one seems forlorn,
This comes to pass
when a child is born.

Hum and play a verse

4. It's all a dream, an illusion now,
It must come true sometime soon somehow.
All across the land dawns a brand new morn,
This comes to pass
when a child is born.

End: Slowing

This comes to pass
when a child is born.
