1 — You are My Sunshine

One of the state songs of Louisiana

Jimmie Davis and Charles Mitchell

1. The other night dear, as I lay sleeping
 I dreamed I held you in my arms.
 But when I awoke, dear, I was mistaken
 So I hung my head and I cried.

- Ch: You are my sunshine, my only sunshine
 You make me happy when skies are gray
 You'll never know dear, how much I love you
 Please don't take my sunshine away

2. I'll always love you and make you happy,
 If you will only say the same.
 But if you leave me and love another,
 You'll regret it all some day.

3. You told me once, dear, you really loved me
 And no one else could come between.
 But now you've left me and love another,
 You have shattered all of my dreams.

4. In all my dreams, dear, you seem to leave me
 When I awake my poor heart pains.
 So when you come back and make me happy
 I'll forgive you dear, I'll take the blame.

End: Please don't take my sunshine away

2 — Sloop John B

Seventh track on The Beach Boys album 'Pet Sounds'
Traditional

1. We come on the sloop John B

My grandfather and me

Around Nassau town we did roam

Drinking all night, got into a fight

Well I feel so broke up I want to go home

Ch: So hoist up the John B's sail

See how the mainsail sets

Call for the captain ashore let me go home,

Let me go home, I wanna go home, yeah yeah

Well I feel so broke up I wanna go home

2. The first mate he got drunk

And broke in the captain's trunk

The constable had to come and take him away

Sheriff John Stone, why don't you leave me alone, yeah yeah

Well I feel so broke up I wanna go home

3. The poor cook he caught the fits

And threw away all my grits

And then he took and he ate up all of my corn

Let me go home, why don't they let me go home

This is the worst trip I've ever been on

Chorus

Chorus

End: Well I feel so broke up I wanna go home

Count 2, 3, 4 for the 'roa...d'

1. Trailers for sale or rent, rooms to let... fifty cents.
No phone, no pool, no pets; I ain't got no cigarettes
Ah, but... two hours of pushin' broom buys an eight by twelve four-bit room
I'm a man of means by no means
King of the roa...d.

2. Third boxcar, midnight train, destination...Bangor, Maine.
Old worn out suit and shoes, I don't pay no union dues,
I smoke old stogies I have found, short, but not too big around
I'm a man of means by no means
King of the roa...d.

3. I know every engineer on every train
All of their children, and all of their names
And every handout in every town
And every lock that ain't locked when no one's around

4. I sing trailers for sale or rent, rooms to let... fifty cents.
No phone, no pool, no pets; I ain't got no cigarettes
Ah, but... two hours of pushin' broom buys an eight by twelve four-bit room
I'm a man of means by no means
King of the road.

End: King of the road.
King of the road.

This is the version from 'O Brother Where Art Thou'
Harry McClintock

1. One evening as the sun went down and the jungle fire was burning
Down the track came a hobo hiking, and he said boys I'm not turning
I'm headin' for a land that's far away beside the crystal fountains.
So come with me we'll go and see the Big Rock Candy Mountains
2. In the Big Rock Candy Mountains there's a land that's fair and bright
Where the handouts grow on bushes and you sleep out every night
Where the boxcars are all empty and the sun shines every day
On the birds and the bees and the cigarette trees,
The lemonade springs where the bluebird sings
In the Big Rock Candy Mountains
3. In the Big Rock Candy Mountains all the cops have wooden legs
And the bulldogs all have rubber teeth and the hens lay soft boiled eggs
The farmer's trees are full of fruit and the barns are full of hay
Oh, I'm bound to go where there ain't no snow
Where the rain don't fall and the wind don't blow
In the Big Rock Candy Mountains
4. In the Big Rock Candy Mountains you never change your socks
And the little streams of alcohol come a-trickling down the rocks
The brakemen have to tip their hats and the railroad bulls are blind
There's a lake of stew and of whiskey too
You can paddle all around 'em in a big canoe
In the Big Rock Candy Mountains

5. In the Big Rock Candy Mountains the jails are made of tin
 And you can walk right out again as soon as you are in
 There ain't no short handled shovels, no axes saws or picks
 I'm a going to stay where you sleep all day
 Where they hung the jerk that invented work
 In the Big Rock Candy Mountains

6. Whistle

- ~~There ain't no short handled shovels, no axes saws or picks~~
~~I'm a going to stay where you sleep all day~~
 I'll see you all this coming fall in the Big Rock Candy Mountains

7 — Man of Constant Sorrow

Soggy Bottom Boys is an homage to the famous bluegrass band the Foggy Mountain Boys
Soggy Bottom Boys

Strum like a steam train

1. I am a man of constant sorrow
I've seen trouble all my days
I bid farewell to old Kentucky
The place where I was born and raised
The place where he was born and raised
2. For six long years I've been in trouble
No pleasure here on earth I find
For in this world I'm bound to ramble
I have no friends to help me now
He has no friends to help him now
3. It's fair thee well, my old true lover
I never expect to see you again
For I'm bound to ride that northern railroad
Perhaps I'll die upon this train
Perhaps he'll die upon this train
4. You can bury me in some deep valley
For many years where I may lay
And you may learn to love another
While I am sleeping in my grave
While he is sleeping in his grave
5. Maybe your friends think I'm just a stranger
My face you'll never see no more
But there is one promise that is given
I'll meet you on God's golden shore
He'll meet you on God's golden shore

8 — Whisky in the Jar

Adapted to Norwegian, as 'Svikefulle Mari' by Lillebjørn Nilsen
Traditional Irish

C Am C Am

1. As I was going over the Cork and Kerry mountains
I saw Captain Farrell and his money he was counting
I first produced my pistol and then produced my rapier
I said "Stand and deliver Or the devil he may take you"

- Ch: Mush a rim sham-a-doo sham-a-da,
Whack for the daddy-o, whack for the daddy-o,
there's whisky in the jar.

2. I took all of his money, which was a pretty penny
I took all of his money and I brought it home to Molly
She swore that she'd love me, never would she leave me
But the devil take that woman for you know she tricked me easy

3. Being drunk and weary, I went to Molly's chamber
Taking Molly with me and I never knew the danger
At six, or maybe seven in walked Captain Farrell
I jumped up, fired my pistols and I shot him with both barrels

4. Now some men like the fishing and some men like fowling
And some men like to hear the cannonballs a roaring
Me - I like sleeping in my Molly's chamber
But here I am in prison, here I am with a ball and chain, yeah

11 — Save the Last Dance for Me

The Beatles recorded this for their, never released, album 'Get Back' in 1969
Doc Pomus and Mort Shuman

1. You can dance every dance with the guy
Who gives you the eye, let him hold you tight
You can smile every smile for the man
Who held your hand neath the pale moon light
But don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me
2. Oh I know that the music's fine
Like sparklin' wine, go and have your fun
Laugh and sing, but while we're apart
Don't give your heart to anyone
'cause don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me
3. Baby don't you know I love you so
Can't you feel it when we touch
I will never never let you go
I love you oh so much

4. You can dance, go and carry on
Till the night is gone and it's time to go
If he asks if you're all alone
Can he take you home, you must tell him no
'cause don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me

5. 'cause don't forget who's takin' you home
 And in whose arms you're gonna be
 So darlin' save the last dance for me
 Save the last dance for me
 Save the last dance for me

12 — Hallelujah

Cohen originally wrote 80 verses
Leonard Cohen

Intro: I've heard there was a secret chord
That David played and it pleased the Lord

1. I've heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music do you?
It goes like this, the fourth, the fifth
The minor fall, the major lift
The baffled King composing hallelujah

Ch: Hallelujah, hallelujah
Hallelujah, hallelujah

2. Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty in the moonlight overthrew you
She tied you to a kitchen chair
She broke your throne, she cut your hair
And from your lips she drew the hallelujah

3. Maybe I've been here before
I know this room, I've walked this floor
I used to live alone before I knew you
I've seen your flag on the marble arch
love is not a victory march
It's a cold and it's a broken hallelujah

C **Am**
 4. There was a time when you let me know
C **Am**
 What's real and going on below
F **G** **C** **G**
 But now you never show it to me, do you?
C **F** **G**
 And remember when I moved in you
Am **F**
 The Holy Dark was moving too
G **Em** **Am**
 And every breath we drew was hallelujah

C **Am**
 5. Maybe there's a God above
C **Am**
 And all I ever learned from love
F **G** **C** **G**
 Was how to shoot at someone who outdrew you
C **F** **G**
 And it's not a cry you can hear at night
Am **F**
 It's not somebody who's seen the light
G **Em** **Am**
 It's a cold and it's a broken hallelujah

17 — Leavin' On a Jet Plane

John Denver died in an air crash in 1997
John Denver

1. All my bags are packed, I'm ready to go,
I'm standing here outside your door
I hate to wake you up to say goodbye
But the dawn is breaking, it's early morn',
taxi's waiting, he's blowing his horn.
Already I'm so lonesome I could cry.

- Ch: So kiss me and smile for me,
tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane,
don't know when I'll be back again
Oh, babe, I hate to go.

2. There's so many times I've let you down,
so many times I've played around
I tell you now... they don't mean a thing
Every place I go I'll think of you,
every song I sing I'll sing for you
When I come back I'll buy you a wedding ring.

3. Now the time has come to leave you,
one more time, let me kiss you
Then close your eyes, I'll be on my way
Dream about the days to come,
when I won't have to leave alone
About the times I won't have to say.

Pete St. John

1. By a lonely prison wall I heard a young girl calling
 Michael they are taking you away
 For you stole Trevelyn's corn so the young might see the morn
 Now a prison ship lies waiting in the bay

Ch: Low lie the fields of Athenry
 Where once we watched the small free birds fly
 Our love was on the wing we had dreams and songs to sing
 It's so lonely round the fields of Athenry

2. By a lonely prison wall I heard a young man calling
 Nothing matters Mary when your free
 Against the famine and the crown
 I rebelled they ran me down
 Now you must raise our child with dignity

3. By a lonely harbor wall she watched the last star falling
 And the prison ship sailed out against the sky
 Sure she'll wait and hope and pray
 For her love in Botany bay
 It's so lonely round the fields of Athenry

 Laughs and screams and giggles at every little noise
 Turns her face a little and turns her head a while

 That's what all the young folks are doing all the while
 As I look around me I sometimes have to smile
 Seeing all the young folks putting on the style

2. Well the young man in the hot rod car driving like he's mad
 With a pair of yellow gloves he's borrowed from his dad
 He makes it roar so loudly just to make his girlfriend smile
 But she knows that he's only putting on the style

 Sing Glory Halleluja puts the folks all in a fright

37 — Singing the Blues

The first line of this song is the last line of 'London Calling' by the Clash
Melvin Endsley

1. Well, I never felt more like singin' the blues

'Cause I never thought that
I'd ever lose, your love dear
Why'd you do me that way

2. I never felt more like cryin' all night

When everything's wrong,
And nothin' ain't right without you
You got me singing the blues

3. The moon and stars no longer shine
The dream is gone I thought was mine
There's nothing left for me to do
But cry over you

4. Well I never felt more like runnin' away
But why should I go,
'Cause I couldn't stay, without you
You got me singing the blues

5. Whistle

I never felt more like cryin' all night
When everything's wrong,
And nothin' ain't right without you
—You got me singing the blues

38 — We Are Going To Be Friends

The song is featured during the opening credits of the 2004 film Napoleon Dynamite
White Stripes

1. Fall is here, hear the yell, back to school, ring the bell
 Brand new shoes, walking blues, climb the fence, books and pens
 I can tell that we are gonna be friends
 I can tell that we are gonna be friends
2. Walk with me, Suzy-Lee, through the park, and by the tree
 We will rest upon the ground and look at all the bugs we've found
 Safely walk to school without a sound
 Safely walk to school without a sound
3. Well here we are, no one else, we walked to school all by ourselves
 There's dirt on our uniforms, from chasing all the ants and worms
 We clean up and now it's time to learn
 We clean up and now it's time to learn
4. Numbers, letters, learn to spell, nouns, and books, and show and tell
 At playtime we will throw the ball, back to class, through the hall
 Teacher marks our height against the wall
 Teacher marks our height against the wall
 And we don't notice any time pass
 We don't notice anything
 We sit side by side in every class
 Teacher thinks that I sound funny, but she likes the way you sing
5. Tonight I'll dream while I'm in bed, when silly thoughts go through my head
 About the bugs and alphabet, and when I wake t'morrow I'll bet
 That you and I will walk together again
 'Cause I can tell that we are going to be friends
 'Cause I can tell that we are going to be friends
- End: 'Cause I can tell that we are going to be friends

 1. De...ep down in Louisiana close to New Orleans

Way back up in the woods among the evergreens

D
 There stood a log cabin made of earth and wood

A
 But he could play the guitar just like ringin' a bell

 2. He used to carry his guitar in a gunny sack

Or sit beneath the tree by the railroad track

D
 Oh an engineer could see him sitting in the shade

A
 Strummin' to the rhythm that the drivers made

E7
 People passing by they'd stop and say

A
 Oh my but that little country boy can play

- A**
 3. His mother told him some day you will be a man

And you will be the leader of a big old band

D
 Many people coming from miles around

A
 And hear you play your music till the sun goes down

 Maybe someday your name gonna be in lights

Australian slang for traveling by foot with a 'Matilda' (bag) slung over one's back
Banjo Paterson and Christina Macpherson

1. Once a jolly swagman camped beside a billabong
Under the shade of a coolibah tree,
And he sang as he watched and waited 'till his billy boiled,
"You'll come a waltzing, Matilda, with me."

- Ch: "Waltzing Matilda, waltzing Matilda,
You'll come a waltzing, Matilda, with me."
And he sang as he watched and waited 'till his billy boiled,
"You'll come a waltzing, Matilda, with me."

2. Down came a jumpbuck to drink at the billabong,
Up jumped the swagman and grabbed him with glee,
And he sang as he stowed that jumpbuck in his tucker bag,
"You'll come a waltzing, Matilda, with me."

3. Up rode the squatter, mounted on his thoroughbred,
Down came the troopers, one, two, three.
"Where's that jolly jumpbuck you've got in your tucker bag?
You'll come a waltzing, Matilda, with me."

4. Up jumped the swagman, sprang into the billabong,
"You'll never catch me alive," said he.
And his ghost may be heard as you pass by that billabong,
"You'll come a waltzing, Matilda, with me."

End: Repeat chorus then the final line again - slowly

stand by me, oh, stand by me.

A Spanish version ('Bajo la rambla') was recorded by the Argentine group 'Los Gatos Salvajes'
Kenny Young and Arthur Resnick

1. Oh when the sun beats down and

Burns the tar upon the roof,
And your shoes get so hot you

Wish your tired feet were fire proof.

Under the boardwalk, down by the sea
On a blanket with my baby is where I'll be.

Ch: Under the boardwalk (out of the sun)
Under the boardwalk (we'll be having some fun)

Under the boardwalk (people walking above)

Under the boardwalk (we'll be making love)

Under the boardwalk, boardwalk.

Of a carousel, ohh
You can almost taste hot dogs and French fries they sell
Under the boardwalk, down by the sea
On a blanket with my baby is where I'll be.

Theory of Mind is the ability to attribute mental states-beliefs to oneself and others
Tom Paxton

 Made of sand, made of sand
 In the wink of an eye my soul is turning
 In your hand, in your hand

 Round and round, round and round
 Underneath our feet a subway's a rumbling
 Underground, underground

are you still dizzy?

1. Well, I took a stroll on the old long walk
Of a day-I-ay-I-ay
I met a little girl and we stopped to talk
Of a fine soft day-I-ay

'Cause her hair was black and her eyes were blue
And I knew right then I'd be takin' a whirl
'Round the Salthill Prom with a Galway girl

2. We were halfway there when the rain came down
Of a day-I-ay-I-ay
And she asked me up to her flat downtown
Of a fine soft day-I-ay
And I ask you, friend, what's a fella to do
'Cause her hair was black and her eyes were blue
So I took her hand and I gave her a twirl
And I lost my heart to a Galway girl

68 — The Irish Rover

Measles is actually a corruption of mizzens, which refers to the third mast on a ship
J.M. Crofts

1. On the fourth of July eighteen hundred and six
 We set sail from the sweet Cobh of Cork
 We were sailing away with a cargo of bricks
 For the grand city hall in New York
 'Twas a wonderful craft, she was rigged fore and aft
 and Oh how the wild winds drove her
 She had twenty seven masts and she stood several blasts
 and they called her the Irish Rover
2. We had one million bags of the best Sligo rags
 We had two million barrels of stones
 We had three million sides of old blind horses hides
 We had four million barrels of bones
 We had five million hogs, six million dogs
 Seven million barrels of porter
 We had eight million bales of old nanny goats tails
 in the hold of the Irish Rover
3. There was Barney McGee from the banks of the Lee
 There was Hogan from County Tyrone
 There was Jimmy McGurk who was scared stiff of work
 And a man from Westmeath called Malone
 There was Slugger O'Toole who was drunk as a rule
 And fighting Bill Tracy from Dover
 And your man Mick McCann from the banks of the Bann
 was the skipper of the Irish Rover

4. We had sailed seven years when the measles broke out
 and our ship lost it's way in the fog
 Then the whole of the crew was reduced down to two
 just myself and the captain's old dog
 Then the ship struck a rock, oh Lord what a shock the bulkhead was turned
 right over
 She turned nine times around and the poor old dog was drowned
 I'm the last of the Irish Rover

70 — Streets of London

London taxi drivers have a larger hippocampus compared with other people
Ralph McTell

1. Have you seen the old man in the closed down market
Kicking up the papers with his worn out shoes
In his eyes you see no pride, hand held loosely by his side
Yesterday's paper, telling yesterday's news

- Ch: So how can you tell me, you're lo...o ...n'ly,
And say for you that the sun don't shine
Let me take you by the hand, and lead you through the Streets of London
I'll show you something to make you change your mind.

2. Have you seen the old girl who walks the Streets of London
Dirt in her hair and her clothes in rags
She's no time for talkin', she just keeps right on walkin'
Carrying her home, in two carrier bags.

3. In the all night café at a quarter past eleven
Same old man sitting there on his own
Looking at the world over the rim of his teacup
Each tea lasts an hour and he wanders home alone.

4. Have you seen the old man, out side the seaman's mission
Memory fading with the medal ribbons that he wears
In our winter city the rain cries, a little pity
For one more forgotten hero and a world that doesn't care.

Chorus

- End: I'll show you something to make you change your mind

71 — Come by the Hills

Set to the tune of a traditional Irish song
W. Gordon Smith

1. Oh come by the hills to the land where fancy is free
 And stand where the peaks meet the sky and the lochs meet the sea
 Where the rivers run clear and the bracken is gold in the sun
 And the cares of tomorrow can wait till this day is done

2. Oh come by the hills to the land where life is a song
 And sing while the birds fill the air with their joy all day long
 Where the trees sway in time and even the wind sings in tune
 And the cares of tomorrow can wait till this day is done

3. Oh come by the hills to the land where legend remains
 Where stories of old fill the heart and may yet come again
 Where the past has been lost and the future is still to be won
 And the cares of tomorrow can wait till this day is done

4. Oh come by the hills to the land where fancy is free
 And stand where the peaks meet the sky and the lochs meet the sea
 Where the rivers run clear and the bracken is gold in the sun
 And the cares of tomorrow can wait till this day is done
 And the cares of tomorrow can wait till this day is done **Slowly**

1. I'm just a little bit caught in the middle
Life is a maze and love is a riddle
I don't know where to go, can't do it alone
I've tried, and I don't know wh...hy
Slow it down, make it stop
Or else my heart is going to pop
'Cause it's too much, yeah it's a lot
To be something I'm not
I'm a fool out of love
'Cause I just can't get enough...

2. I'm just a little bit caught in the middle
Life is a maze and love is a riddle
I don't know where to go, can't do it alone
I've tried, and I don't know why
I'm just a little girl lost in the moment
I'm so scared but I don't show it
I can't figure it out, it's bringing me down
I know, I've got to let it go...
And just enjoy the show

Billy Joel

1. What's the matter with the clothes I'm wearing

Can't you tell that your tie's too wide

Maybe I should buy some old tab collars

Welcome back to the age of jive

Where have you been hidin' out lately honey

You can't dress trashy 'til you spend a lot of money

Everybody's talkin' 'bout the new sound

Funny but it's still rock and roll to me

2. What's the matter with the car I'm driving

Can't you tell that it's out of style

Should I get a set of white wall tyres

The story of Rudolf was created for the retailer Montgomery Ward

John Marks

1. Rudolf, the red-nosed reindeer had a very shiny nose,
 And if you ever saw it, You would even say it glows.
 All of the other reindeer
 Used to laugh and call him names
 They never let poor Rudolph
 Join in any reindeer games.

2. Then one foggy Christmas Eve
 Santa came to say,
 "Rudolph with your nose so bright,
 Won't you guide my sleigh tonight?"
 Then all the reindeer loved him
 And they shouted out with glee,
 "Rudolph the red-nosed reindeer,
 You'll go down in history!"

98 — When A Child Is Born

The most successful version was probably the Jack Gold produced version by Johnny Mathis
Fred Jay

1. A ray of hope flickers in the sky,
A tiny star lights up way up high,
All across the land dawns a brand new morn,
This comes to pass
when a child is born.

2. A silent wish sails the seven seas,
The winds of change whisper in the trees
All the walls of doubt crumble tossed and torn,
This comes to pass
when a child is born.

3. A rosy dawn settles all around,
You get to feel you're on solid ground
For a spell or two no-one seems forlorn,
This comes to pass
when a child is born.

Hum and play a verse

4. It's all a dream, an illusion now,
It must come true sometime soon somehow.
All across the land dawns a brand new morn,
This comes to pass
when a child is born.

End: **Slowing**

This comes to pass

99 — Happy Christmas (War Is Over)

It was recorded at Record Plant Studios in New York City in late October 1971
John Lennon and Yoko Ono

1. So this is Christmas, and what have you done?
 Another year over, a new one just begun.
 And so this is Christmas, I hope you have fun
 The near and the dear ones, the old and the young.

- Ch: A merry, merry Christmas, and a happy New Year
 Let's hope it's a good one without any fears.

2. And so this is Christmas, (War is over)
 For weak and for strong. (If you want it)
 The rich and the poor ones (War is over). The road is so long. (Now)
 And so happy Christmas, (War is over)
 For black and for white. (If you want it)
 For yellow and red ones, (War is over)
 Let's stop all the fights. (Now)

Chorus

3. And so this is Christmas, (War is over)
 And what have we done? (If you want it)
 Another year over, (War is over). A new one just begun. (Now)
 And so this is Christmas, (War is over)
 We hope you have fun (If you want it)
 The near and the dear ones, (War is over). The old and the young. (Now)

Chorus

- End: War is over, if you want it. War is over, now...
 War is over, if you want it. War is over, now.

100 — Frosty the Snowman

First recorded by Gene Autry and the Cass County Boys in 1950
Walter 'Jack' Rollins and Steve Nelson

1. Frosty the Snowman was a jolly, happy soul,

With a corncob pipe and a button nose

And two eyes made out of coal.

Frosty the Snowman is a fairy tale they say,

He was made of snow but the children know

How he came to life one day.

2. There must have been some magic in that

Old silk hat they found,

For when they placed it on his head,

He began to dance around.

3. Frosty the Snowman was alive as he could be,

And the children say he could dance and play

Just the same as you and me.

4. Frosty the Snowman knew the sun was hot that day,

So he said "Let's run, we'll have lots of fun

Now before I melt away".

Down in the village with a broomstick in his hand,

Running here and there all around the square

Saying "Catch me if you can!"

5. He lead them down the streets of town

Right to a traffic cop,

And he only paused one moment when

He heard them holler "Stop!"

Slowing

6. Frosty the Snowman had to hurry on his way

but he waved goodbye saying "Don't you cry"

I'll be back again some day.

102 — Let It Snow

Written in July 1945 in Hollywood, California during one of the hottest days on record
Sammy Cahn and Jule Styne

1. **A7** Oh, the weather outside is frightful,
D But the fire is so delightful,
A And since we've no place to go,
A7 Let it snow, let it snow, let it snow.
2. **D** Oh, it doesn't show signs of stopping,
A And I've brought some corn for popping,
A7 The lights are turned way down low,
D Let it snow, let it snow, let it snow.
3. **A** When we finally kiss good night,
E7 How I hate going out in the storm.
 But if you really hold me tight,
D7 All the way home I'll be warm
E7 **A** **A7**
4. **D** Oh, the fire is slowly dying,
A And my dear we're still good-bye-ing,
A7 But as long as you love me so,
A Let it snow, let it snow, let it snow.
5. **A** When we finally kiss good night,
E7 How I hate going out in the storm.
 But if you really hold me tight,
D7 All the way home I'll be warm.

104 — Carol of the Drum

Based upon a traditional Czech carol
Katherine Kennicott Davis

1. Come they told me pa-rum-pa-pum-pum
Our new born king to see pa-rum-pa-pum-pum
Our finest gifts we'll bring pa-rum-pa-pum-pum
To lay before the king pa-rum-pa-pum-pum
rum-pa-pum-pum-rum-pa-pum-pum
So to honour him pa-rum-pa-pum-pum
When we come.

2. Baby Jesus pa-rum-pa-pum-pum
I'm a poor boy too pa-rum-pa-pum-pum
I have no gift to bring pa-rum-pa-pum-pum
That's fit to give a king pa-rum-pa-pum-pum
rum-pa-pum-pum-rum-pa-pum-pum
Shall I play for you pa-rum-pa-pum-pum
On my drum.

3. Mary nodded pa-rum-pa-pum-pum
The ox and ass kept time pa-rum-pa-pum-pum
I played my drum for him pa-rum-pa-pum-pum
I played my best for him pa-rum-pa-pum-pum
rum-pa-pum-pum-rum-pa-pum-pum
Then he smiled at me pa-rum-pa-pum-pum
Me and my drum.

 For we all like figgy pudding, so bring some out here

110 — It's Beginning to Look a Lot Like Christmas

A hit for Perry Como and The Fontane Sisters in 1951.

Meredith Willson

1. It's beginning to look a lot like Christmas, everywhere you go

Take a look in the Five and Ten, glistening once again

With candy canes and silver lanes a -glow.

It's beginning to look a lot like Christmas, toys in every store

But the prettiest sight to see is the holly that will be

On your own front door.

2. A pair of hopalong boots and a pistol that shoots

Is the wish of Barney and Ben

Dolls that will talk and go for a walk

Is the hope of Janice and Jen

And Mum and Dad can hardly wait for school to start again.

3. It's beginning to look a lot like Christmas, everywhere you go

There's a tree in the Grand Hotel, one in the park as well

The sturdy kind that doesn't mind the snow

It's beginning to look a lot like Christmas, soon the bells will start

And the thing that will make them ring, is the carol that you sing

Right within your heart.

Repeat verses 2 and 3
