1 — Highwayman

Dick Turpin started as a butcher
Jimmy Webb

1. I was a highwayman, along the coach roads I did ride
With sword and pistol by my side
Many a young maid lost her baubles to my trade
Many a soldier shed his lifeblood on my blade
The bastards hung me, in the spring of twenty-five
But I am still a-live

2. I was a sailor, I was born upon the tide
And with the sea I did a-bide
I sailed a schooner round the Horn to Mexi-co
I went a-loft and furled the mainsail in a blow
And when the yards broke off, they said that I got killed
But I am living still

3. I was a dam builder, across the river deep and wide
Where steel and water did collide
A place called Boulder on the wild Colo-rado
I slipped and fell into the wet concrete below
They buried me, in that great tomb that knows no sound
But I am still a-round
I'll always be a-round and a-round

4. I fly a starship across the Universe di-vide
And when I reach the other side
I'll find a place to rest my spirit if I can
Perhaps I may become a highwayman a-gain
Or I may simply be a single drop of rain
But I, will re-main
And I'll be back a-gain, and a-gain and a-gain and a-gain and a-gain

2 — Oh Shropshire

Shropshire is home of the British Hedgehog Preservation Society
Peter Latchford

1. You might have heard of my place on earth

But you won't know where it is

East of West and North of South

It's just where it should be

2. Where the hills roll blue and democracy began

Where the rivers run slow and the iron bridge stands

Where the fittest survive and so does everyone else

And nothing ever happens

- Ch: Oh Shropshire, I'd keep you quiet
But I can't help singing your praise
I hope that nobody hears
I hope that nobody hears
I hope that nobody hears

3. The devil once came, he couldn't make a deal
He left his stones on Stiperstones
Because the people smile and the warmth is real
And riches count for nothing

Break

Gliders hang in the open skies
Artists dream their dreams
Red kites fly on the breeze again
Beavers swim in the streams

5 — Whisky in the Jar

Adapted to Norwegian, as 'Svikefulle Mari' by Lillebjørn Nilsen
Traditional Irish

C Am C Am

1. As I was going over the Cork and Kerry mountains
I saw Captain Farrell and his money he was counting
I first produced my pistol and then produced my rapier
I said "Stand and deliver Or the devil he may take you"

- Ch: Mush a rim sham-a-doo sham-a-da,
Whack for the daddy-o, whack for the daddy-o,
there's whisky in the jar.

2. I took all of his money, which was a pretty penny
I took all of his money and I brought it home to Molly
She swore that she'd love me, never would she leave me
But the devil take that woman for you know she tricked me easy

3. Being drunk and weary, I went to Molly's chamber
Taking Molly with me and I never knew the danger
At six, or maybe seven in walked Captain Farrell
I jumped up, fired my pistols and I shot him with both barrels

4. Now some men like the fishing and some men like fowling
And some men like to hear the cannonballs a roaring
Me - I like sleeping in my Molly's chamber
But here I am in prison, here I am with a ball and chain, yeah

6 — I'm the Urban Spaceman

The Bonzo Dog Doo-Dah Band's most successful single

Neil Innes

Intro: ~~I'm the urban spaceman baby, I've got speed~~
~~I've got everything I need~~

1. I'm the urban spaceman baby, I've got speed
 I've got everything I need

I'm the urban spaceman baby, I can fly
 I'm a supersonic guy

I don't need pleasure I don't feel pain

If you were to knock me down, I'd just get up again

I'm the urban spaceman baby, I'm making out
 I'm all about

Break ~~I'm the urban spaceman baby, I've got speed~~
~~I've got everything I need~~
 I wake up every morning with a smile upon my face
 My natural exuberance spills out all over the place

2. I'm the urban spaceman I'm intelligent and clean
 Know what I mean?

I'm the urban spaceman, as a lover second to none
 It's a lot of fun

I never let my friends down I've never made a boob

I'm a glossy magazine an advert in the tube

I'm the urban spaceman babe, but here comes the twist
 I don't exist

End: ~~I'm the urban spaceman baby, I've got speed~~
~~I've got everything I need~~
