2 — You are My Sunshine

One of the state songs of Louisiana
Jimmie Davis and Charles Mitchell

1. The other night dear, as I lay sleeping
I dreamed I held you in my arms.
But when I awoke, dear, I was mistaken
So I hung my head and I cried.

- Ch: You are my sunshine, my only sunshine
You make me happy when skies are gray
You'll never know dear, how much I love you
Please don't take my sunshine away

2. I'll always love you and make you happy,
If you will only say the same.
But if you leave me and love another,
You'll regret it all some day.

3. You told me once, dear, you really loved me
And no one else could come between.
But now you've left me and love another,
You have shattered all of my dreams.

4. In all my dreams, dear, you seem to leave me
When I awake my poor heart pains.
So when you come back and make me happy
I'll forgive you dear, I'll take the blame.

End: Please don't take my sunshine away

3 — Sloop John B

Seventh track on The Beach Boys album 'Pet Sounds'
Traditional

1. We come on the sloop John B
My grandfather and me
Around Nassau town we did roam
Drinking all night, got into a fight
Well I feel so broke up I want to go home

- Ch: So hoist up the John B's sail
See how the mainsail sets
Call for the captain ashore let me go home,
Let me go home, I wanna go home, yeah yeah
Well I feel so broke up I wanna go home

2. The first mate he got drunk
And broke in the captain's trunk
The constable had to come and take him away
Sheriff John Stone, why don't you leave me alone, yeah yeah
Well I feel so broke up I wanna go home

3. The poor cook he caught the fits
And threw away all my grits
And then he took and he ate up all of my corn
Let me go home, why don't they let me go home
This is the worst trip I've ever been on

 She says "I have whiskeys and wines of the best
 And the words that I spoke were only in jest"

 And I'll ask them to pardon their prodigal son
 And, when they forgive me as oft times before
 I never will play the wild rover no more

6 — King Of The Road

'King of the Road' is a skateboarding contest sponsored by Thrasher magazine
Roger Miller

C

Count 2, 3, 4 for the 'roa...d'

1. Trailers for sale or rent, rooms to let... fifty cents.
No phone, no pool, no pets; I ain't got no cigarettes
Ah, but... two hours of pushin' broom buys an eight by twelve four-bit room
I'm a man of means by no means
King of the roa...d.

F

G7

2. Third boxcar, midnight train, destination...Bangor, Maine.
Old worn out suit and shoes, I don't pay no union dues,
I smoke old stogies I have found, short, but not too big around
I'm a man of means by no means
King of the roa...d.

3. I know every engineer on every train
All of their children, and all of their names
And every handout in every town
And every lock that ain't locked when no one's around

4. I sing trailers for sale or rent, rooms to let... fifty cents.
No phone, no pool, no pets; I ain't got no cigarettes
Ah, but... two hours of pushin' broom buys an eight by twelve four-bit room
I'm a man of means by no means
King of the road.

End: King of the road.
King of the road.
King of the road.
C C F F G7 G7 C

This is the version from 'O Brother Where Art Thou'
Harry McClintock

1. One evening as the sun went down and the jungle fire was burning
Down the track came a hobo hiking, and he said boys I'm not turning
I'm headin' for a land that's far away beside the crystal fountains.
So come with me we'll go and see the Big Rock Candy Mountains
2. In the Big Rock Candy Mountains there's a land that's fair and bright
Where the handouts grow on bushes and you sleep out every night
Where the boxcars are all empty and the sun shines every day
On the birds and the bees and the cigarette trees,
The lemonade springs where the bluebird sings
In the Big Rock Candy Mountains
3. In the Big Rock Candy Mountains all the cops have wooden legs
And the bulldogs all have rubber teeth and the hens lay soft boiled eggs
The farmer's trees are full of fruit and the barns are full of hay
Oh, I'm bound to go where there ain't no snow
Where the rain don't fall and the wind don't blow
In the Big Rock Candy Mountains
4. In the Big Rock Candy Mountains you never change your socks
And the little streams of alcohol come a-trickling down the rocks
The brakemen have to tip their hats and the railroad bulls are blind
There's a lake of stew and of whiskey too
You can paddle all around 'em in a big canoe
In the Big Rock Candy Mountains

5. In the Big Rock Candy Mountains the jails are made of tin
 And you can walk right out again as soon as you are in
 There ain't no short handled shovels, no axes saws or picks
 I'm a going to stay where you sleep all day
 Where they hung the jerk that invented work
 In the Big Rock Candy Mountains

6. Whistle

- ~~There ain't no short handled shovels, no axes saws or picks~~
~~I'm a going to stay where you sleep all day~~
 I'll see you all this coming fall in the Big Rock Candy Mountains

The Beatles

1. I once had a girl, or should I say, she once had me...

2. I sat on her rug, biding my time, drinking her wine,

I told her I didn't, and crawled off to sleep in the bath

3. I sat on her rug, biding my time, drinking her wine,

17 — Save the Last Dance for Me

The Beatles recorded this for their, never released, album 'Get Back' in 1969
Doc Pomus and Mort Shuman

1. You can dance every dance with the guy
Who gives you the eye, let him hold you tight
You can smile every smile for the man
Who held your hand neath the pale moon light
But don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me

2. Oh I know that the music's fine
Like sparklin' wine, go and have your fun
Laugh and sing, but while we're apart
Don't give your heart to anyone
'cause don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me

3. Baby don't you know I love you so
Can't you feel it when we touch
I will never never let you go
I love you oh so much

4. You can dance, go and carry on
Till the night is gone and it's time to go
If he asks if you're all alone
Can he take you home, you must tell him no
'cause don't forget who's takin' you home
And in whose arms you're gonna be
So darlin' save the last dance for me

5. 'cause don't forget who's takin' you home
 And in whose arms you're gonna be
 So darlin' save the last dance for me
 Save the last dance for me
 Save the last dance for me

Intro: I've heard there was a secret chord
That David played and it pleased the Lord

1. I've heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music do you?
It goes like this, the fourth, the fifth
The minor fall, the major lift
The baffled King composing hallelujah

Ch: Hallelujah, hallelujah
Hallelujah, hallelujah

2. Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty in the moonlight overthrew you
She tied you to a kitchen chair
She broke your throne, she cut your hair
And from your lips she drew the hallelujah

3. Maybe I've been here before
I know this room, I've walked this floor
I used to live alone before I knew you
I've seen your flag on the marble arch
love is not a victory march
It's a cold and it's a broken hallelujah

C **Am**
 4. There was a time when you let me know
C **Am**
 What's real and going on below
F **G** **C** **G**
 But now you never show it to me, do you?
C **F** **G**
 And remember when I moved in you
Am **F**
 The Holy Dark was moving too
G **Em** **Am**
 And every breath we drew was hallelujah

C **Am**
 5. Maybe there's a God above
C **Am**
 And all I ever learned from love
F **G** **C** **G**
 Was how to shoot at someone who outdrew you
C **F** **G**
 And it's not a cry you can hear at night
Am **F**
 It's not somebody who's seen the light
G **Em** **Am**
 It's a cold and it's a broken hallelujah

30 — Leavin' On a Jet Plane

John Denver died in an air crash in 1997
John Denver

1. All my bags are packed, I'm ready to go,
I'm standing here outside your door
I hate to wake you up to say goodbye
But the dawn is breaking, it's early morn',
taxi's waiting, he's blowing his horn.
Already I'm so lonesome I could cry.

- Ch: So kiss me and smile for me,
tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane,
don't know when I'll be back again
Oh, babe, I hate to go.

2. There's so many times I've let you down,
so many times I've played around
I tell you now... they don't mean a thing
Every place I go I'll think of you,
every song I sing I'll sing for you
When I come back I'll buy you a wedding ring.

3. Now the time has come to leave you,
one more time, let me kiss you
Then close your eyes, I'll be on my way
Dream about the days to come,
when I won't have to leave alone
About the times I won't have to say.

~~Speaking words of wisdom, let it be~~

34 — All Around My Hat

Wearing willow sprigs in your hatband is a traditional symbol of mourning
Traditional

Ch: All around my hat I will wear the green willow
And all around my hat, for a twelve-month and a day
And if anyone should ask me, the reason why I'm wearing it
It's all for my true love, who's far, far, away

1. Fare thee well cold winter and fare thee well, cold frost
Nothing have I gained, but my own true love I've lost
I'll sing and I'll be merry when fair occasion I do see
He's a false deluding young man, let him go, farewell he

2. Now the other night he brought me a fine diamond ring
but he thought to deprive me of a far finer thing
But I being careful, like lovers ought to be
He's a false deluding young man, let him go, farewell he

3. Take a quarter pound of reason, and a half pound of sense
A small sprig of time, and a pinch of prudence
Now mix then all together and then you will plainly see
He's a false deluding young man, let him go, farewell he

35 — Mull of Kintyre

The Mull of Kintyre rises steeply from the sea and has been the site of many air crashes
Paul McCartney and Denny Laine

Ch: Mull of Kintyre oh mist rolling in from the sea,
my desire is always to be here oh Mull of Kintyre.

1. Far have I traveled and much have I seen.
Dark distant mountains with valleys of green.
Past painted deserts, the sun sets on fire
As he carries me home to the Mull of Kintyre.

2. Smiles in the sunshine and tears in the rain.
Still take me back where my memories remain,
Flickering embers grow higher and higher
As they carry me back to the Mull of Kintyre.

3. Sweep through the heather like deer in the glen,
Carry me back to the days I knew then.
Nights when we sang like a heavenly choir
Of the life and the times of the Mull of Kintyre.

37 — Black Velvet band

Transportation to Australia was a common punishment in 19th century Britain and Ireland
Traditional

1. In a neat little town they call Belfast,
 Apprenticed to trade I was bound
 And many an hour's sweet happiness
 Have I spent in that neat little town
 A sad misfortune came over me
 Which caused me to stray from the land
 Far away from me friends and relations
 Betrayed by the black velvet band

- Ch: Her eyes they shone like diamonds,
 I thought her the queen of the land
 And her hair hung over her shoulders
 tied up with a black velvet band.

2. I took a stroll down Broadway,
 meaning not long for to stray
 When who should I meet but this pretty fair maid
 Come a-traipsing along the highway
 She was so fair and handsome,
 Her neck it was just like a swan's
 And her hair hung over her shoulders
 Tied up with a black velvet band.

3. I took a stroll with this pretty fair maid
 And a gentleman passing us by
 Well I knew that she meant the doing of him
 By the look in her roguish black eye
 A gold watch she took from his pocket
 And placed it right into my hand
 And the very next thing that I said was
 'Bad cess to the black velvet band'

4. **D** Before the judge and the jury

58 — The Galaxy Song

Earth's orbital speed actually varies between 18 to 18.5 miles a second
Eric Idle

Intro: Whenever life gets you down, Mrs. Brown.

And things seem hard or tough.

And people are stupid, obnoxious, or daft.

And you feel that you've had, quite enough...

G7 C

1. Just remember that you're standing on a planet that's evolving,
revolving at nine-hundred miles an hour.

That's orbiting at nineteen miles a second, so it's reckoned,
a sun that is the source of all our power.

The sun and you and me, and all the stars that we can see

A7 F
are moving at a million miles a day

F7 C
in an outer spiral arm at forty thousand miles an hour

G7 C
of the galaxy we call the Milky Way.

C

2. Our galaxy itself contains a hundred billion stars,
it's a hundred thousand light-years side to side,
it bulges in the middle, sixteen thousand light-years thick,
but out by us, it's just three thousand light-years wide.

We're thirty thousand light-years from galactic central point

A7 F
We go round every two hundred million years,

F7 C
and our galaxy is only one of millions of billions in this

G7 C
amazing and expanding Universe!

61 — Ballard of the Green Beret

Sadler wrote this song while recuperating from a leg wound recieved in the Vietnam War
SSgt Barry Sadler and Robin Moore

1. Fighting soldiers from the sky
Fearless men who jump and die
Men who mean just what they say
The brave men of the Green Beret.
2. Silver wings upon their chests
These are men, America's best
One hundred men will test today
But only three win the Green Beret.
3. Trained to live off nature's land
Trained in combat, hand to hand
Men who fight by night and day
Courage speaks from the Green Beret.
4. Silver wings upon their chests
These are men, America's best
One hundred men will test today
But only three win the Green Beret.
5. Back at home a young wife waits
Her Green Beret has met his fate
He has died for those oppressed
Leaving her this last request.
6. Put silver wings on my son's chest
Make him one of America's best
He'll be a man they'll test one day
Have him win the Green Beret.

62 — Have A Word With Ade

Originally there were 6 verses

Phil Forshutt

A7

To the rhythm of "Save the Last Dance for Me", not too fast

1. Modern life is fraught with difficulty, first one problem, then the next.
 Sometimes we don't know which way to turn, we end up harrassed and vexed.
 Sometimes through life's minefield, a friend can help you find your way.
 Ask anybody round here, they'll tell you have a word with Ade.
 Let's say you want to change your motor, or buy a fancy new bike.
 He'll fix you up with a "Top of the Range", at a real bargain price.
 And if you want a ukulele, and don't know how the bloody thing is played.
 He's even got his own fire brigade,
 you want to have a word with Ade.

D

G

- Ch: He'll put you right if anybody can, he's the man with the master plan.
 From a guitar to a garbage can, Ade's yer man.
 You know he's a seventh dan, can he fix it? 'course he can.
 From a ferret to a frying pan, Ade's yer man.

2. You know my mum had srotulitis? They told her there's no cure.
 Ade looked it up on the internet, he put her right that's for sure.
 And if you want to know the cricket scores, or the words to every song by Slade.
 Or the rules for basketball, you want to have a word with Ade.
 Take me, I used to be a bachelor, I just couldn't find Miss Right.
 And believe me, I looked everywhere, each and every night.
 I was just about to call off the search, when my bacon was saved.
 He fixed me up with the girl of my dreams,
 a friend of a friend of a friend of Ade's.

Chorus

- End: From a ferret to a frying pan, Ade's yer man.

64 — Hotel California

Some Christian evangelists claim this refers to a hotel converted into the Church of Satan
Don Felder, Don Henley and Glenn Frey

1. On a dark desert highway, cool wind in my hair
 Warm smell of colitas, rising through the air
 Up ahead in the distance, I saw a shimmering light
 My head grew heavy and my sight grew dim, I had to stop for the night
 There she stood in the doorway, I heard the mission bell
 And I was thinking to myself: this could be heaven or this could be hell
 Then she lit up a candle and she showed me the way
 There were voices down the corridor; I thought I heard them say:

- Ch: "Welcome to the Hotel California
 Such a lovely place (such a lovely place), such a lovely face
 Plenty of room at the Hotel California
 Any time of year (any time of year), you can find it here"

2. Her mind is Tiffany twisted, she got the Mercedes Benz
 She got a lot of pretty, pretty boys, that she calls friends
 How they dance in the courtyard, sweet summer sweat
 Some dance to remember, some dance to forget
 So I called up the captain, "Please bring me my wine", He said
 "We haven't had that spirit here since nineteen sixty-nine"
 And still those voices are calling from far away
 Wake you up in the middle of the night, just to hear them say:

C **G**
 Ch: "Welcome to the Hotel California
B **Em**
 Such a lovely place (such a lovely place), such a lovely face
C **G**
 They livin' it up at the Hotel California
Am **B**
 What a nice surprise (what a nice surprise), bring your alibis"

- Em** **B**
 3. Mirrors on the ceiling, the pink champagne on ice, and she said
D **A**
 "We are all just prisoners here, of our own device"
C **G**
 And in the master's chambers, they gathered for the feast
Am **B**
 They stab it with their steely knives but they just can't kill the beast
Em **B**
 Last thing I remember, I was running for the door
D **A**
 I had to find the passage back to the place I was before
C **G**
 "Relax," said the night man, "We are programmed to receive
Am **B**
 You can check out any time you like, but you can never leave"

C **G**
 Ch: "Welcome to the Hotel California
B **Em**
 Such a lovely place (such a lovely place), such a lovely face
C **G**
 They livin' it up at the Hotel California
Am **B** **C stop**

65 — Locomotion

The song is notable for appearing in the American Top 5 three times, each time in a different decade
Gerry Goffin and Carole King

1. Everybody's doin' a brand-new dance, now
 (Come on baby, do the Locomotion)
 I know you'll get to like it if you give it a chance now
 (Come on baby, do the Locomotion)
 My little baby sister can do it with me
 It's easier than learning your A-B-C's

Ch: So come on, come on and do the Locomotion with me
 You gotta swing your hips, now Come on, baby.
 Jump up Jump back Well, I think you've got the knack.

2. Now that you can do it, let's make a chain, now
 (Come on baby, do the Locomotion)
 A chug-a chug-a motion like a railroad train, now.
 (Come on baby, do the Locomotion)
 Do it nice and easy, now, don't lose control,
 A little bit of rhythm and a lot of soul.

3. Move around the floor in a Locomotion.
 (Come on baby, do the Locomotion)
 Do it holding hands if you get the notion.
 (Come on baby, do the Locomotion)
 There's never been a dance that's so easy to do.
 It even makes you happy when you're feeling blue.

End: So come on, come on and do... the Locomotion with me

71 — We Are Going To Be Friends

The song is featured during the opening credits of the 2004 film *Napoleon Dynamite*
White Stripes

1. Fall is here, hear the yell, back to school, ring the bell
 Brand new shoes, walking blues, climb the fence, books and pens
 I can tell that we are gonna be friends
 I can tell that we are gonna be friends
2. Walk with me, Suzy-Lee, through the park, and by the tree
 We will rest upon the ground and look at all the bugs we've found
 Safely walk to school without a sound
 Safely walk to school without a sound
3. Well here we are, no one else, we walked to school all by ourselves
 There's dirt on our uniforms, from chasing all the ants and worms
 We clean up and now it's time to learn
 We clean up and now it's time to learn
4. Numbers, letters, learn to spell, nouns, and books, and show and tell
 At playtime we will throw the ball, back to class, through the hall
 Teacher marks our height against the wall
 Teacher marks our height against the wall
 And we don't notice any time pass
 We don't notice anything
 We sit side by side in every class
 Teacher thinks that I sound funny, but she likes the way you sing
5. Tonight I'll dream while I'm in bed, when silly thoughts go through my head
 About the bugs and alphabet, and when I wake t'morrow I'll bet
 That you and I will walk together again
 'Cause I can tell that we are going to be friends
 'Cause I can tell that we are going to be friends
- End: 'Cause I can tell that we are going to be friends
